

# Evolution<sup>®</sup> 96t Gas Furnace with Perfect Heat<sup>®</sup> Technology

MODEL 986T Multi-Poise

**EVOLUTION<sup>™</sup>**  
**SYSTEM**

## Prior to Your Purchase

Bryant® has a history of doing whatever it takes to deliver trusted quality, comfort and value to millions of homeowners nationwide. The Evolution® 96t with Perfect Heat® technology offers the industry's most comfortable indoor environment available with extra-efficient, money-saving operation.

### Efficiency

- Up to 96.5% AFUE (Annual Fuel Utilization Efficiency) means you can save money on your monthly heating bills. Variable-speed heating with adaptive control, enhanced dehumidification control and improved air management all contribute to this unit's outstanding energy efficiency.

### Comfort

- It starts with the Evolution® System then continues with our exclusive comfort-enhancing Perfect Heat® technology, Fan On Plus™ feature and SmartEvap™ technology. The Evolution 96t combines all of Bryant's most sophisticated comfort technology to elevate your home's environment.

# Superior Comfort *Plus* Ex

## Setting Standards Since 1904

For more than a century, homeowners have associated Bryant® heating products with the highest standards of indoor comfort. Through the commitment and dedication of our product development and manufacturing teams, we have consistently met every new challenge head-on and delivered the products to meet or exceed expectations. Today, as rising energy costs and increased environmental awareness influence consumer thinking, Bryant proudly offers a gas furnace with extra high-efficiency and superior comfort - the Evolution® 96t with Perfect Heat® technology.

The Bryant Evolution 96t provides quiet, luxurious relief from winter's biting chill. It raises the bar for temperature control with our Perfect Heat functions. And, it saves significantly on heating costs with exceptional energy efficiency of up to 96.5% AFUE.

Designed, built and backed by the most trusted name in the business, and installed by your trusted and professional Bryant dealer, the Evolution 96t with Perfect Heat technology provides the premium winter comfort you and your family deserve.

## Perfect Heat, Perfect Comfort

Your home is your refuge, the place you go for comfort - so why not treat yourself to the very best heating system available? The Evolution® 96t delivers an even, consistent flow of heated air to help reduce hot and cold spots. It also improves overall air quality through longer low speed heating cycles, and operates extremely quietly. Our exclusive Perfect Heat® technology automatically

monitors changing conditions and adjusts system operation to provide the best possible combination of comfort and energy efficiency. And, for even greater comfort and control over temperature, dehumidification and fan speed, we recommend including a two-stage Bryant air conditioner and our unique Evolution® Control to create a Bryant Evolution® System.

## Extra Quiet, Extra Efficient

With the Evolution® 96t, you can relax and enjoy the comfort of your home because this is one of the quietest gas furnaces available. Nearly continuous operation at very low speed means less sound from start-up (fewer cycles), and extremely quiet delivery of heated air.

And, some of the same technology that makes this furnace so quiet makes it very efficient all year long with low electrical use. Combined with its efficient use of natural gas or propane, the Evolution 96t is one of the most energy-efficient furnaces you can buy.

# Exceptional Energy Savings.

## Limited Warranty

To the original owner, the Bryant® Evolution® 96t Model 986T gas furnace is covered by a 10-year parts and lifetime limited heat exchanger warranty upon timely registration of your new equipment.\* Ask your Bryant dealer about optional labor warranties.

\*The limited warranty period is 5-years on parts and 20-years on heat exchangers if not registered within 90 days of installation. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts warranty on the heat exchangers. See warranty certificate at [bryant.com](http://bryant.com) for complete details and restrictions.

## Performance

As an ENERGY STAR® Partner, Bryant Heating & Cooling Systems has determined that this product meets the ENERGY STAR® guidelines for energy efficiency.

## Complete Comfort and Peace of Mind

As a part of your home's total comfort system, the Evolution® 96t improves comfort with Bryant-exclusive functions. When paired with an air conditioner or heat pump, the Fan On Plus™ feature lets you select from three continuous fan speeds with a compatible thermostat for enhanced, whole-home ventilation. SmartEvap™ technology assists with humidity control to keep you feeling comfortable during the cooling season.

Best of all, you can enjoy all of this comfort with a system designed, built and backed by a company committed to customer satisfaction. From initial design through product testing and final assembly, we go beyond the industry's expectations for quality to be sure that every unit we make measures up to even tougher standards – yours.

**Ask your dealer about combining the Evolution 96t with a recommended Bryant heat pump and HYBRID HEAT® compatible thermostat to create a Bryant HYBRID HEAT® Dual Fuel System. A HYBRID HEAT System provides the ultimate flexibility to combat unpredictable fuel costs.**

## The Evolution® of Comfort

Bryant® is at the forefront of a comfort revolution with its exclusive Evolution® System. This system combines the Evolution 96t with our sleek, sophisticated Evolution® Control and the recommended Bryant two-speed outdoor unit to put more comfort, power and ease-of-use at your fingertips than any other comfort system. Full, seven-day programmability allows precise temperature and dehumidification control that matches your living schedule. Intelligent electronics track system operation and identify the very best combination of comfort and energy saving operation. Accessory and system monitors provide text-based messages on the large LED screen letting you know when it's time for a filter change, routine maintenance and more. And, optional remote connectivity lets you monitor, change and control the system anywhere you have Internet access.

Simple, intuitive and powerful, the Evolution® System truly sets a new standard for excellence in home comfort.

***The Evolution® Control is much more than just a thermostat. It is your single source of precision temperature, humidity and indoor air quality.***

## Indoor Comfort You Can Rely On

- 1 EXTRA GAS EFFICIENCY**  
Our secondary heat exchanger extends heat transfer for higher efficiency use of heating fuel and is backed by a lifetime limited parts warranty.
- 2 QUIET, NEARLY CONTINUOUS COMFORT**  
The Deluxe ECM is a full-featured variable-speed blower motor which operates at the precise speed needed to deliver quiet, dependable heating and improved humidity control.
- 3 EFFICIENCY AND COMFORT**  
Two-stage gas valve with two stages of heating operates up to 90% of the time on low-stage heating for smooth, efficient comfort. High-stage operation provides a boost in comfort during more extreme winter conditions.
- 4 RELIABILITY**  
The Bryant Perfect Light™ igniter is one of the most reliable and robust available so you can count on heating when you need it.
- 5 INTELLIGENT OPERATION**  
Our patented furnace control board does the thinking for you so your family will always enjoy comfort and economy. Just set the compatible thermostat and let our “smart” electronics do the rest. This advanced control is the key to the Fan On Plus™ feature, Bryant's adjustable constant fan function, as well as SmartEvap™ technology which provides improved moisture control when paired with an air conditioner or heat pump.
- 6 ECONOMICAL, LOW-NOISE OPERATION**  
Our two-speed inducer motor operates on low or high speed as needed for the best efficiency and comfort. Operating on low speed a majority of the time, this motor helps ensure extra-high efficiency with extra-low noise operation.
